H90 AND H100/112 FLEXIBLE COUPLING FOR NHD AND NMT SERIES

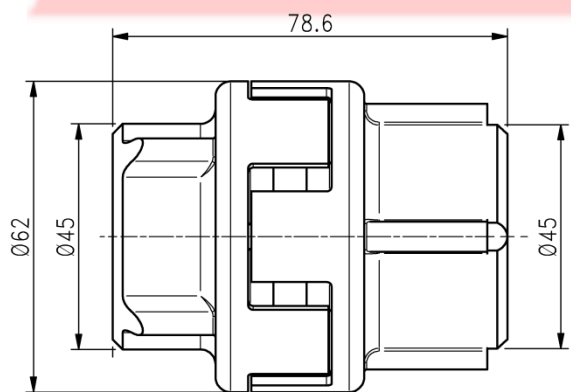

Current Flexible Couplings NMT Series

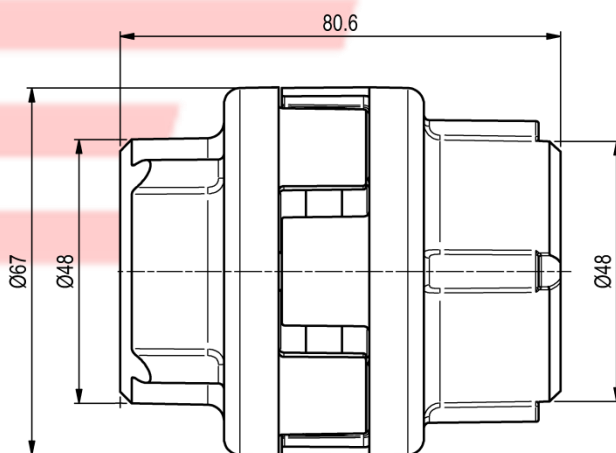

New Flexible Couplings NMT Series

Current Flexible Couplings NHD Series

New Flexible Couplings NHD Series

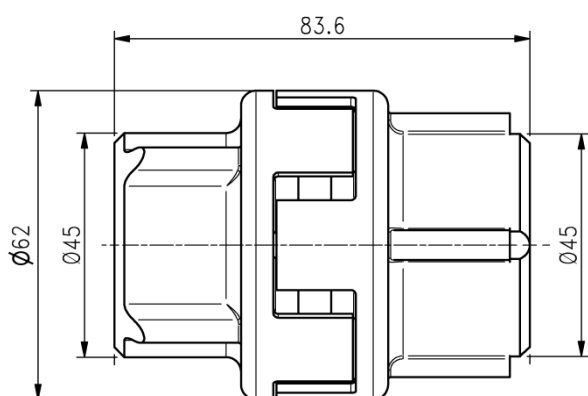

- Flexible couplings for NHD and NMT series have updated. They have been enlarged and reinforced.
- New versions are interchangeable with old ones, even in combination with current motor flanges.
- Part numbers are still the same: 1.099-542.0 and 1.099-543.0 for NHD series, 1.099-541.0 and 1.099-544.0 for NMT series

BOLLETTINO TECNICO 017

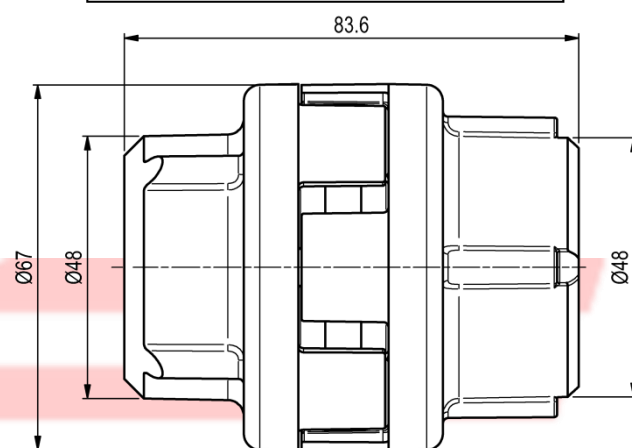

Aprile 2017

GIUNTI FLESSIBILI H90 E H100/112 PER SERIE NHD ED NMT

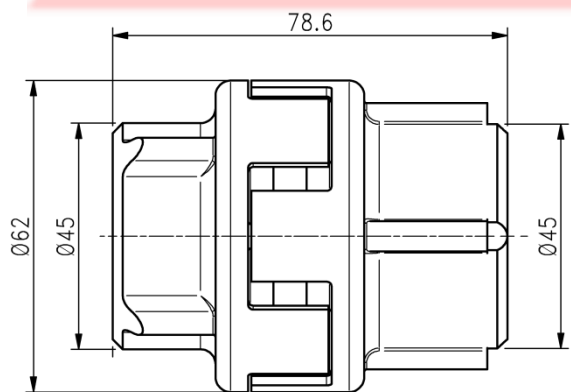

Attuali giunti flessibili serie NMT

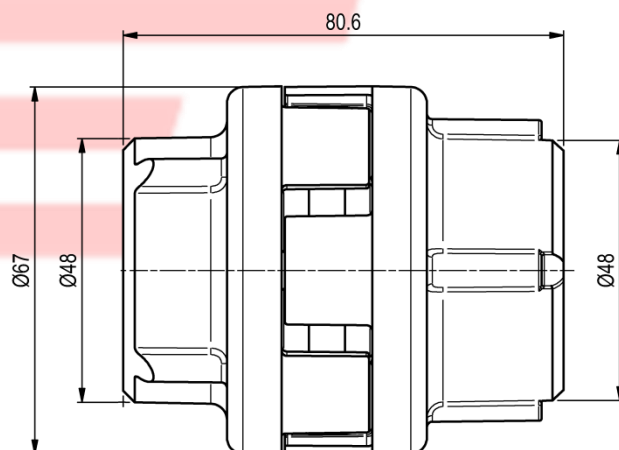

Nuovi giunti flessibili serie NMT

Attuali giunti flessibili serie NHD

Nuovi giunti flessibili serie NHD

- Sono stati aggiornati i giunti flessibili per le serie NMT e NHD, ingrandendoli e rinforzandoli.
- Le nuove versioni sono intercambiabili con le attuali, anche in combinazione con le flange motore correnti.
- I codici d'ordine sono rimasti invariati: 1.099-542.0 e 1.099-543.0 per serie NHD , 1.099-541.0 e 1.099-544.0 per serie NMT.
